Testimonials

"When I first started planning our wedding, I thought a day of coordinator/planner was totally unnecessary. Wow was I wrong, and I am SO thankful that Tory was a part of our big day. I can confidently say that working with Tory was one of the best investments we made in our wedding, and I would do it all over again with her in a heartbeat. I truly can't say enough about her and what she did to make our wedding experience flawless. Tory was next level (and so much fun to work with!) and took SO much stress off of us by handling vendor communication, helping with last minute details/orders/pickups, and simply putting our minds at ease (which is priceless at that point in the planning process). Honestly, if I could've changed anything, it would've been to have her along for the whole planning process rather than just the month of! She's really that good.

On the day of, Tory was above and beyond in every sense. She made it clear that our only job that day was to relax and enjoy the experience, while she handled everything else. It was supposed to be rainy at Woodlands during our ceremony, and all day she was running back and forth between the bridal and groom suites to keep us in the loop about what the latest forecast was. We eventually decided to hold the ceremony inside with a 100% chance of rain on the radar. 20 minutes before our ceremony, the sun popped out and Tory jumped into action mode, getting our entire set up moved outside for the most amazing ceremony. She knew how much an outdoor ceremony meant to us, and she made it happen.

The rest of the day went perfectly, thanks mostly to Tory. If something went wrong, I still have no idea because she handled it. She somehow managed to be everywhere we needed her at the exact moment we needed it. Whether it was to keep us on schedule, get us another drink, or make sure we actually sat down and enjoyed our wedding meal, she was there. Numerous people even commented on how good she was, and how calm/fun her energy was while handling numerous different things at the same time. Our wedding day was truly the best day of our lives, and we're so thankful we had Tory to help us because without her, it definitely wouldn't have been the same. She is exceptional at what she does, and we would recommend her to anyone looking to have a smooth and enjoyable wedding/planning process!"

Testimonials

"I truly cannot recommend working with Tory enough! When I originally started planning our wedding I didn't think I needed a coordinator, but our venue required one. I can 100% say with confidence I am so glad they did. While I was able to take care of a lot of the details and arrange the vendors I wanted, Tory helped with so much more than I could have ever known about. She is a master of knowing every single detail and timeline suggestion. She helped contact and connect with each vendor and took the stress off of making sure we had all of the details lined up. She even persisted to help fix a situation when a vendor wasn't replying to me the week of the wedding. The day of the wedding she was calm and helpful and made sure everything ran so incredibly smoothly. If anything went wrong the day of our wedding I had no idea and to this day still cannot think of anything that did.

Working with Tory allowed me to go into our big day stress free and ensured that it stayed that way. She is extremely knowledgeable, helpful, and patient and will only make your big day all the better!"

Testimonials

"I can't thank Tory, Janelle, and Stephen at the Woodlands enough for making our day go so perfectly. The venue and location alone are like a dream, but the team that runs it are equally amazing. Throughout the whole planning process, they were so supportive and never made me feel anything less. We were not only stress free the entire day, but had the most fun we had ever had at a wedding (how special that it was our own). We still continue to get rave reviews from family and friends about how amazing, beautiful, and fun our wedding was.

I couldn't have asked for a better planner. From the moment we started working with Tory, I felt completely taken care of and that she knew exactly the style we wanted. As we got closer to the event, everytime a question would pop in my head, I would frantically shoot it over to her and she would always respond in less than a day, putting me at ease. On the day of, she ran everything and made sure everyone was where they were supposed to be at the time they were supposed to be there, without making it feel like a show. She's down to earth and fun, but gets the job done!"

Testimonials

"Tory was our month of coordinator for our wedding at Woodlands in October 2022. Tory was incredibly organized, detail-oriented, and trustworthy. She was great at managing our vendors and we are so happy we delegated all of our month-of tasks to her. On our wedding day, Tory did an incredible job of handling all of the small details and making sure everything went to plan. During our wedding, we didn't look at the clock once and never felt any stress, which was all thanks to her. We can't imagine the day going so smoothly without her. We are so happy we had Tory as our wedding coordinator and we cannot recommend her enough! "

Testimonials

"Choosing to have a day of coordinator was hands down one of the best decisions we could have made for our big day. Tory truly became so much more than that and we couldn't have imagined our day going any smoother! From day one, Tory was the perfect mix of professional and friendly & fun. She totally embraced all of our ideas and found a way to make them happen without hesitation. Her attention to detail made all the finishing touches of our day come together. She kept the whole event moving and organized while also keeping a laid back atmosphere and having fun along the way. It was the best feeling knowing that we didn't have to worry about anything on the big day because we knew she had it covered! Tory went above and beyond to make our day as special as we could have hoped for!"
